WWW.VOLUNTEERTHORNTON.COM

**Volunteer Position:**

Storm Drain Marker Volunteer

**Department/Division:**

Infrastructure/Engineering Services

**Volunteer Manager:**

Al Quintana, Stormwater Coordinator

al.quintana@cityofthornton.net

**Hours/Shifts**

The program is active through the spring and summer months. Hours are flexible and depend on volunteer's availability.

**Address:**

Supply pick up:

Infrastructure Maintenance Center (IMC)

12450 Washington St.

Thornton, CO 80241

**Qualifications:**

- At least 14-years-old.
- Able to commit at least 2-hours per shift.
- Interest in water conservation and willingness to help the environment.
- Be physically able to carry markers and literature.
- Be physically able to kneel and bend in order to place markers, as well as walk from inlet to inlet.

**Description:**

Help reduce pollutant dumping in our rivers and lakes. Volunteers will place markers that say 'No Dumping --Drains to River' on storm drains located throughout the city of Thornton and distribute literature on pollutant awareness.

**Application and Selection Process:**

Interested applicants must complete an application available at [www.volunteorthornton.com](http://www.volunteorthornton.com). Qualified applicants will be prompted to complete a background check.
