Re: Thornton Shopping Center

Dear Ms. Masters:

On behalf of the Thornton City Council, I want to take a moment to thank you for your efforts to ensure that the cleanup at Thornton Shopping Center site is completed properly, and to encourage the Colorado Department of Public Health and Environment (CDPHE) to continue maximum enforcement efforts. The proper handling of wastes on this site is of critical importance and we urge you to take all appropriate steps to hold the responsible parties to account.

We appreciate your efforts to keep City staff informed of site activities and your willingness to work together to achieve the goal we share in common: that the contamination present at the Thornton Shopping Center be addressed in a timely and thorough manner. Thank you again for your support and please let us know if there's anything we can do to assist in your efforts.

Sincerely,

A handwritten signature in black ink that reads "Jan Kulmann".

Jan Kulmann, Mayor
