

THORNTON COMMUNITY GARDENS

Explore your green thumb and become a part of your local Thornton community garden.

Joining is simple, free and no experience is necessary.

Interested in “Digging in” to a Garden?

All of the Thornton community gardens accept gardeners of all ages and are open to Thornton residents. There are only two conditions necessary to participate in a Thornton community garden — you must sign a liability waiver and be willing to donate a portion of the food that you grow in the garden to a local food bank.

Check out the list of community gardens located on the back of this flyer.

If you are unable to locate a garden leader or your organization wants to start a community garden, please contact the city of Thornton’s Community Connections Division at 720-977-5800 or Connections@ThorntonCO.gov.

Visit ThorntonCO.gov to view Thornton City Code Section 18-195 regarding community gardens.
