

TIME TO
REMEMBER.
TIME TO ACT.

International Overdose Awareness Day Event
August 28, 2019 10 am – 11:30 am

84th Ave Neighborhood Health Center • 2551 W 84th Ave, Westminster 80031

Free and open to everyone

The tragedy of overdose death is preventable. Please join us to raise awareness about the opioid crisis, hear from people with lived experiences, remember those we've lost, and hear from elected officials on what is being done to address the crisis at the local level. Connect with resources on treatment and recovery, including Narcan Training and Kits and Hep C/HIV awareness and testing.

Sponsored by Tri-County Overdose Prevention Partnership
