

Thornton Boards & Commissions

Making a difference in our community

Thornton is a home-rule community and is governed by its City Charter. The Charter serves as the City's constitution. Provisions of the charter are voted on by its citizens. These provisions provide the basis for all City ordinances, policies, and procedures. All boards and commissions are created by ordinance. Each board/commission has bylaws or rules of procedure that guide the conduct of their meetings. The terms of office for most boards and commissions are four years. Board and Commission members are selected from the community, and may not be employees or elected officials of the City of Thornton.
