Sec. 42-27. - Consumption and possession regulated.

- (a) Except as required in the course of lawful employment or as otherwise authorized by this article, it shall be unlawful for any person within the jurisdiction of the city to possess an open container of or consume any fermented malt or alcoholic beverages in public, except upon premises licensed or permitted under the provisions of C.R.S. § 44-3-101 et seq., § 44-4-101 et seq., and § 44-5-101 et seq.

  - (2) "*Passenger area*" means the area designed to seat the driver and passengers while a motor vehicle is in operation and any area that is readily accessible to the driver or a passenger while in his or her seating position, including but not limited to any type of glove or storage compartment accessible to passengers or driver.

    - a. Passengers, other than the driver or a front seat passenger, located in the passenger area of a motor vehicle designed, maintained, or used primarily for the transportation of persons for compensation;
    - b. The possession by a passenger, other than the driver or a front seat passenger, of an open alcoholic beverage container in the living quarters of a house coach, house trailer, motor home or trailer coach;
    - c. The possession of an open alcoholic beverage container in the area behind the last upright seat of a motor vehicle that is not equipped with a trunk.
- (c)

A container shall be deemed an open container even if such container is resealed by any type of cap or seal.

  - (1) In or upon any public highway, street, alley, walk, parking lot, building, park or other property or place which is owned or leased by the city or other governmental entity, whether in a vehicle or not; and

If such express or implied license is subject to time or conduct restrictions, consumption or prohibited possession of fermented malt or alcoholic beverages on such property shall be deemed to be "in public" even if the entry or remaining on the property is in violation of the time or conduct restrictions.
- (e) For the purpose of this article, the term "*possess*" or "*possession*" means exercising physical control over or holding such container, but also means exercising dominion and control over the place where such containers are found.
- (f) The city manager may, as provided in this subsection, grant express written permission to persons to consume fermented malt or alcoholic beverages on city-owned property for the following special functions: athletic events; artistic events; cultural events; receptions; street closure events; or civic events.
  - (1) The city manager shall adopt an administrative directive specifying the city properties or portions thereof upon which fermented malt or alcoholic beverages may be consumed.
  - (2) The city manager shall grant such permission to persons applying therefor if, considering the type of function and the type of alcohol to be served, the manager finds that:
    - a. The application to the city manager was filed not later than 30 days prior to the date of the event.
    - b. The time, location and duration of the function are not likely to significantly interfere with public traffic or services, including public safety services.

- c. The number and concentration of participants at outside street closure events and at other indoor functions shall not result in occupancy levels exceeding limitations in the city fire code. The number and concentration of participants for an event shall not create a nuisance resulting in inconvenience to the residents of the surrounding neighborhood.
  - d. Procedures are proposed that are likely to ensure that underage persons, and persons under the influence of alcohol, will not obtain or consume fermented malt or alcoholic beverages served at the function.
  - e. Procedures are proposed that are likely to secure and supervise the area and the participants during the function.
  - f. The applicant agrees to provide sandwiches and other food services at the location during the time consumption is permitted in an amount sufficient to serve the persons anticipated to attend.
  - g. The applicant agrees to be personally responsible for and provide financial guaranties to ensure the cleaning, trash disposal or repairs necessary as a result of the event for which the permission was granted. The city manager shall determine the amount of required financial guaranty based upon the city facility involved, the duration of the event, the number of persons anticipated to attend, the type of beverage to be served, the failure of the applicant to clean or repair city property in conjunction with past events, and the financial resources of the applicant.
  - h. The applicant agrees to indemnify and hold harmless the city, its employees and agents for all liability claims arising out of the event, and to provide general liability insurance, with minimum liability limits equal to that established by the Colorado Governmental Immunity Act (C.R.S. § 24-10-101 et seq.), to guarantee indemnification. The city manager may waive or reduce this insurance requirement if the applicant affirmatively establishes that the risk of liability to the city as a result of the function does not present the city with any significant additional risk of liability.
- (3) The city manager may issue a permit for consumption of fermented malt or alcoholic beverages on city-owned property based upon the following criteria:
- a. The request is for or on behalf of a city sponsored or co-sponsored civic

event using any city-owned property; and

- b. The proposed event meets all the criteria as stated in subsection (2)(b) through (f) of this section.
- (4) The city manager shall deny permission on the grounds that:
    - a. There is insufficient data presented by the applicant to make the findings required in subsection (e)(2) of this section.
    - b. Approval would be detrimental to the public safety, health, morals, order or welfare by reason of the nature of the event, the likelihood that the event would create a public nuisance, an unreasonable risk of violence or public disorder or result in the consumption of alcoholic beverages by minors; or, alternatively, that the proximity of the event to schools or the failure of the applicant to conduct a past event in compliance with this section and the applicable rules and regulations.
    - c. Another event has previously been scheduled for the same location on the same date and time.
    - d. The event would unreasonably interfere with normal activities and customary and general use and enjoyment of the facility.
  - (5) An applicant who has been denied permission or who claims to be otherwise aggrieved by the city manager's decision concerning an application may make a written request to the city manager's office for a hearing on the application. Within ten days of receipt of such a request, the city manager shall conduct a hearing at which the applicant and the city may present such evidence and information as may be relevant to the application.
  - (6) The granting of permission by the city manager under this section does not relieve the applicant from the responsibility of obtaining any license or special event permit as may be required by state law or city ordinances.
  - (7) This section is not intended to create a right of use or possession of city-owned or leased property in any person or group; rather, this section relates only to permission to consume malt, vinous or spirituous liquor or fermented malt beverage by an individual or group who otherwise has the lawful right to use or possess city-owned property pursuant to city policy.
