Recommended by: Robb Kolstad <i>RK</i> Approved by: Kevin S. Woods <i>KW</i> Presenter(s): Erika Senna, Budget Manager				Ordinance previously introduced by: <hr style="width: 100%;"/> Marvin	

SYNOPSIS:

This ordinance is for the third amendment to the 2022 Budget and authorizes additional funding for the new Thornton COVID-19 Recovery Grant Program, as well as the purchase of two Farmers Highline water shares.

RECOMMENDATION:

Staff recommends Alternative No. 1, approval of the ordinance amending the 2022 Budget.

The 2022 Budget, which authorizes expenditures of \$455,628,304, is proposed to increase by \$1,600,000. The amended Budget will be \$457,228,304 and accomplish the following:

1. Appropriate \$500,000 in the Governmental Capital Fund for the initial funding of the 2022 ARPA related Thornton COVID-19 Recovery Grant Program. These grants will assist Thornton residents and small businesses and are anticipated to carry into 2023. This program will be funded as eligible government services through the replacement of City revenue that was lost due to the COVID-19 public health emergency.
2. Appropriate \$100,000 in the General Fund to cover the administrative costs of the ARPA-related Thornton COVID-19 Recovery Grant Program. The majority of the administrative costs relate back to a new Management Analyst position that is being created to stand-up and run the program. This program will be funded as eligible government services through the replacement of City revenue that was lost due to the COVID-19 public health emergency.
3. Appropriate \$1,000,000 in the Water Fund to cover the purchase of two shares of Farmers Highline water. These shares will increase the City’s total available water supply.

BUDGET/STAFF IMPLICATIONS:

Funding for the ARPA-related Thornton COVID-19 Recovery Grant Program and administration will come from a portion of the \$21.0M in ARPA allocation provided to the City, which will be used to replace City revenue that was lost due to the COVID-19 public health emergency.

Funding for the Farmers Highline water shares will come from unappropriated fund balance in the Water Fund.
