

Help plan the new Ken Freiberg

FIRE MUSEUM

In the Carl Nelson Fire Station.

Thornton Fire has a storied history of firefighting and safety that began in the 1950s. The new museum, now in the planning stage and slated to reside inside the original Fire Station #1, will highlight our history and community service.

We want to hear from you!

Museum Public Planning Sessions begin soon, and we want residents to help plan this incredible addition to our community.

For information visit ArtsThornton.com
or call 720-977-5888.
