

Virtual Neighborhood Meeting

You are invited to a virtual Neighborhood Meeting to discuss the Remington to Riverdale Lift Station Gravity Main and Riverdale Park Lift Station Replacement Project.

The existing Riverdale Park Lift Station, located east of Riverdale Road and north of East 96th Avenue, will undergo upgrades and reconstruction.

A new sanitary sewer main will be constructed in Adams County Open Space from the existing Remington Lift Station, located near Riverdale Road and East 94th Avenue, to the new Riverdale Park Lift Station.

Para Español: gocot.net/engineering

For questions or comments, please contact the project manager, Kristin Schwartz
Phone: 720-977-6208 Email: Kristin.Schwartz@ThorntonCO.gov

If you are disabled and require assistance in understanding or participating in this neighborhood meeting, please call 303-538-7334 at least eight hours in advance, and arrangements will be made to provide any assistance that may be required.
