

New in town? Got boxes?

Thornton offers a one-time only, free pickup of cardboard boxes used for moving as a courtesy to new residents who are Thornton trash customers.

All boxes must be flattened and stacked neatly on top of each other. Packing material such as newspapers or tissues can be placed as compactly as possible in a couple of the boxes, NO styrofoam or bubble wrap.

All remaining empty boxes must be flattened and bundled.

Courtesy pickups are scheduled Mondays or Wednesdays, depending on your address, and all boxes must be out at the curb, in the gutter, by 7 a.m.

Call 720-977-6200 or email environmentalservices@thorntonco.gov for an appointment.
