

REGISTRATION PROCEDURE

EARLY PRESCHOOL | 3 YEAR OLDS

Early preschool registration begins in February. A non-refundable \$45 registration fee and May tuition deposit is due at the time of registration. The May tuition deposit is one month of tuition that is held throughout the school year as a guarantee for monthly tuition, and credited to the last month of the school year, May's payment. Families withdrawing during the school year forfeit their non-refundable deposit and registration fees.

The school year starts the first full-week after Labor Day and runs for 36 weeks to mid-May. Tuition is due on the 3rd of each month from September through April. The deposit is used to pay for May unless it has been used for non-payment.

Preschool paperwork, including a health appraisal signed by a physician and an immunization record, is due on August 1st or before a child starts in the program.

If registering during the school year, the deposit, registration fee and the monthly tuition, which may be prorated, are charged at the time of registration. Parents/guardians may come to Trail Winds

Recreation Center, Carpenter Recreation Center or Thornton Community Center or call the registration line at 720-977-5901 to register and make the payment.

Registration paperwork must be completed and reviewed before families can start.

KINDER READINESS/UNIVERSAL PRESCHOOL 4 YEAR OLDS

All 4-year-olds will qualify for 15 hours of free preschool per week in the year before they start kindergarten. Youth must turn four by October 1.

Information and access to the application for Universal Preschool Colorado (UPK) funding is available at, <https://cdec.colorado.gov/universal-preschool-colorado>.

We will work with families to complete our internal registration process once they are matched with our program.

Registration paperwork must be completed and reviewed before families can start.

Private pay spots for youth who do not meet the age eligibility for UPK funding may be available in kinder readiness classes. Contact Sharon.Juel@ThorntonCO.gov for more information.

BIRTHDAYS Birthday celebrations are not associated with food. Each youth is celebrated during the class time on or closest to his/her actual birthday with the birthday song and a special gift to take home. Summer birthdays are celebrated in the last week of the school year. Snacks brought in for birthdays are graciously turned away.

PRESCHOOL CLASS GUIDELINES

Youth must be the appropriate age by the start of the session.

Early Preschool is designed for youth who miss the kindergarten cut-off and will attend preschool again next year. Social skills through play are emphasized. The routine of the classroom, shapes, colors, numbers and alphabet are introduced. The class also introduces sight words, letter sounds, sentence structure, and projects and activities aligned with the Early Learning and Development Guidelines (ELDG).

2, 3 and 5-day Early Preschool	3-4 year olds Minimum: 12 Maximum: 20 with two-three staff members
---	--

Kinder Readiness is designed for youth who are entering kindergarten next school year. In addition to classroom routine and social skills through play, it goes into depth with sight words, letter sounds and sentence structure, skills practice (like cutting and gluing), and projects and activities aligned with the ELDG.

5-day Kinder Readiness	4-5 year olds Minimum: 12 Maximum: 22 with two-three staff members
-----------------------------------	--

EARLY PRESCHOOL AND KINDER READINESS (NOT FUNDED BY UPK) SELF-PAY TUITION

A \$15 LATE FEE IS ASSESSED FOR ANY PAYMENT RECEIVED AFTER THE THIRD OF THE MONTH.

IF PAYMENTS ARE TWO WEEKS PAST DUE AND/OR HABITUALLY LATE, YOU MAY FORFEIT YOUR YOUTH'S SPACE FOR THE REMAINDER OF THE SCHOOL YEAR.

- **Registration Fee** The \$45 registration fee is due at time of registration. This is a one-time fee and is in addition to the cost of the program.
- **Deposit** is used to hold a participant's spot in a program. It is charged at the time of registration and is considered part of the cost of the program per participant, per program session (i.e. the entire school year). If your youth remains registered through the end of the school-year (May), your

deposit will be applied to May's tuition. If you cancel out of the program at any time after paying, your deposit becomes non-refundable.

- **Payment** can be made in full or on a monthly basis for the entire school year, September-April, with May's payment made as a non-refundable deposit. All remaining payments are due on or before the third of each month with a \$15 late fee added on the fourth. For example: October payment is due on or before October 3. You have the option to participate in the automatic credit card process or pay in person. However, we strongly encourage the automatic credit card process to avoid late fees and save our time to focus on the youth and our program rather than collecting tuition.

FIELD TRIPS The City of Thornton Preschool Program does not take any field trips, except walking trips around and within the perimeter of the Trail Winds Recreation Center and fields, the Carpenter Recreation Center and fields or the Thornton Community Center and fields.

TRANSPORTATION POLICY The City of Thornton Preschool Program does not need any transportation. Class remains in or around the recreation and community centers, as detailed in the previous section.

CHILD ASSESSMENTS AND CONFERENCES

Developmentally appropriate child assessments aligned with Colorado's Early Learning Development Guidelines (ELDG) are conducted within 45 days of classes starting and again at the end of the school year. Parent teacher conferences are offered twice a year- over winter break and the week after classes finish for the year. The results from these assessments are used to individualize curriculum and guide lesson planning.

SNACKS

Kinder Readiness families need to send in a healthy snack for their children each day. Per licensing and USDA guidelines, snacks should include 2 items from 5 components: dairy, meat and protein alternates, vegetables, fruit, and grains. Snack components are kept on site in case snacks from home need to be supplemented. Staff sends home reminder notes about the policy when snacks are supplemented.

CITY OF THORNTON PRESCHOOL PROGRAM

MONKEYS EARLY PRESCHOOL CLASS | Children must be three years old.

5-Day Option	Monday-Friday 8:30-11 a.m.	\$396R/\$475NR	Carpenter Recreation Center

Turtles Kinder Readiness Class	Monday-Friday 11:30 a.m.-3 p.m.	FREE - UPK FUNDED PRIVATE PAY \$555R/\$665NR	Thornton Community Center

PRESCHOOL SKILLS LIST

Preschool Parents:

We work hard to prepare the youth for kindergarten. You can help by working on the following skills with your youth at home:

- Three finger grasp on writing/coloring tools (it may help to use a broken crayon to help your youth get the hand pointed down, then progress into regular sized items)
- NAMES: spelling of first and last, writing with only the first letter capitalized and the rest lower case
- Phone number to call in an emergency
- SELF-HELP SKILLS: throwing trash away, putting on and zipping/buttoning their own jackets, opening packages, pouring, etc.
- CUTTING: holding their scissors, opening and shutting, holding and turning the paper with their other hand, follow lines to cut
- GLUING: using an appropriate amount for the item
- TAKING TURNS: different than sharing- letting the person know when they are finished
- MANNERS: please, thank you, excuse me, etc.
- Identify the 26 capital letters in random order by sight
- Identify the 26 lowercase letters in random order by sight
- Associate each letter with its sound(s)
- Listen to a story and answer questions about it and retell its sequence (what happened first, next, last; youth use the pictures to predict; etc.)
- Recognize rhyming words
- Count to 50
- Count backwards from 10
- Identify numerals 0-10 in random order by sight
- Order numerals 0-10
- Identify shapes (see list on next page)
- Recognize punctuation marks (, , ? !)
- Identify sight words (see list on next page)
- Recognize sentence structure: capital letters at the start of sentences, punctuation marks at the end of sentences
- Using their words in a sentence to ask for things and express themselves
- Identify feelings and emotions (see list on next page): discuss emotions as you and your youth feel them
- Identify colors (see list on next page)
- Practice higher order thinking (ask your youth how and why questions)

Please see your youth's teacher with questions about any of these skills, what they mean, tips, ideas, or suggestions. We appreciate your help!

PRESCHOOL SIGHT WORDS, SHAPES, COLORS, FEELINGS AND EMOTIONS

SIGHT WORDS

no	a	go	is	on
it	can	in	to	me
up	an	you	am	the
and	we	my	he	like
