

## STANDARD TPRCP COVID-19 GUIDELINES

### General COVID-19 procedures for all activities and programs.

- Participants and staff are to remain at least 6' apart at all times. When applicable, utilize the available floor markings.
- Participants must not come to class if they are exhibiting symptoms of COVID-19, have a fever or have been exposed to anyone with COVID-19.
- Temperature checks will be completed on entry to indoor facilities. Individuals with a 100.4 degree temperature or higher will not be permitted to join the program and will be asked to leave.
- All staff, except for our swim instructors, will be required to wear face masks.
- Participants should wear a face mask or face covering while not actively participating in a program or activity.
- No more than 10 participants allowed at one time (25 participants for outdoor programs.) This does not include the instructor(s).
- Frequent hand washing is encouraged. Hand sanitizer is readily available if soap and water are not feasible.
- Individual equipment or props will be limited and shall not be shared between participants.
- Please come dressed prepared for your activity and plan on leaving dressed as you came.
- Parents, siblings and other spectators are not permitted in the class if it is indoors unless you are a parent or guardian participating in a parent led swim lesson or providing one-to-one assistance for an individual with a disability.
- Participants who are sick or have possibly been exposed to COVID-19 in the last 14 days should not attend.
- You should not attend if you or someone in your household is considered a vulnerable individual.
- Indoor classroom doors should remain open.
- Please confirm that we have your current emergency contact information in our system.
- Arrive no more than 10 minutes prior to the start of your class.
