\*We appreciate having the Crayola name brand for this item as we have found that it works best with our preschool students.

## Personal Care Items

### Backpacks

Please do not send backpacks, the cubby spaces are not big enough for backpacks in addition to the other needed items such as water bottles and jackets.

### Change of Clothes

Please bring a change of clothes in a large Ziplock baggie labelled with your child's name. It will be kept at school until needed, then the soiled clothes will be sent home and we will need a replacement. Please send clothes that will be comfortable for all weather and will fit as your child grows. Suggested items are a pair of socks, underwear, sweat pants, and a t-shirt.

### Water Bottle

Please send a water bottle, labelled with your child's name, every class day. We will refill the bottle for your child if needed. The water bottle will go home with you every day after class.
