

THORNTON CELEBRATES ARBOR DAY

Tree Sale

SPRING 2019

All the trees are selected by Thornton Forestry staff based on their ability to survive in Colorado soils and climate conditions.

- Only 60 trees will be available. Limit one tree per resident.
- Trees offered are air-pruned and the highest quality
- Trees are 1" caliper in size and weigh approximately 20 pounds, making them easily moved and transported.
- Thornton resident purchasing the tree is responsible for pick-up and planting of the tree.
- Instruction and care information will be provided on the day of pickup by Forestry and Horticulture staff.

NOTE: Trees are not guaranteed, but if properly planted and maintained, will be successful. Tree choices subject to change.

COST: \$80 per tree
