

# **Artemisia schmidtiana**

## **‘Silver Mound’**

### **Dusty Miller**

**Bright silver foliage great for edging and rock gardens. Likes a dry sunny place. Split and replant each year for the showiest mounds.**

**Artemisia is prized for its silver leaves and excellent texture. Full sun, low water, enjoys well drained soil. Height 10"-14" Spread 16"**

**USDA Zones: 4-8**
