

# Gaillardia 'Arizona Sun' Blanket Flower

**This gorgeous wildflower is a must have for any perennial garden. Delicate stems with small green leaves give rise to brightly colored daisies with burgundy and gold petals with red centers. Keep up with deadheading and it will stay in bloom all season. Water regularly until established, then cut back . Plant in full sun, well drained soil.**

**Height 8-10" Space 18-24"**

**USDA Zones 4-9**
