## 2021 SUMMER CAMPS | June 1-August 13

Thornton ran a successful care program during the summer of 2020. We will monitor COVID-19 regulations and guidance and update policies and procedures over the coming months. We are committed to providing safe, quality care with fun and enriching daily activities.

During the summer months Thornton offers both partial-day camps for ages 2½-10 and full-day camps for ages 5-13. All camps are state-licensed programs and provide a safe, fun-filled summer of activities. Completed registration packets, including up-to-date physical and immunization records from the youth's physician, are required before youth can attend camp. Youth must meet age requirements and be potty-trained unless determined otherwise by a physician. For additional information, please call 720-977-5901. 

## 2021 Half-Day Camps | Ages 2½-10

Below are our 2021 Half-Day Camps. All forms must be completed in their entirety and returned at least one week prior to the start of class. Please contact Sharon Juel at 720-977-5942 or [sharon.juel@ThorntonCO.gov](mailto:sharon.juel@ThorntonCO.gov) with questions as well as concerns about age-overrides for families wanting to enroll in a class together.

### Preschool Kid Camp | Ages 2½-6

Children will practice letters and letter sounds, sight-words, numbers, colors and shapes in addition to center play and doing projects, fitness and outside play. This is the perfect camp for children to get used to preschool or continue their school year. Please send a healthy snack for your child.
